

Embracing the Future with Education 4.0!

Academic Heights World School (AHWS): They Teach Life

Strategically situated near Pitampura TV Tower, stands a beacon of Quality education AHWS is backed by the strength of a vast educational experience and network with over 1200 Bachpan Play Schools and 120 Academic Heights Public K-12 Schools and a University.

Innovation is the cornerstone of progress, Academic Heights World School stands tall as a true trail-blazer, proudly wearing the badge of “A Pioneer in Education 4.0.” As traditional teaching-learning models undergo global re-evaluation, they have not merely kept pace with the changes—they’ve set the pace. They’re leading the vanguard of the 21st-century holistic education revolution and inspiring the world to reimagine schooling!

Shaping the Future Through STEM, AI, and Experiential Learning

They transcend traditional STEM education by integrating advanced modules in AI, Robotics, AI based Smart Panels and emerging technologies. Yet, STEM is just one side of the story. What truly sets Academic Heights World School apart is its deep-rooted commitment to enrich Experiential Learning.

From the Classroom to the Boardroom: Empowering Future Leaders for Industry 4.0

A visionary institution dedicated to equipping students with advanced technologies to solve real-world problems, tackle complex challenges, drive meaningful transformation, make incredible contributions, and emerge as the leaders and thinkers who will shape the dynamic era of Industry 4.0

Early Childhood Development: Strong Foundations

The Pre-Primary section features innovative classrooms, experiential zones, and a dedicated gym—nurturing foundational skills through play-based, gamified and interactive learning.

Building Life Skills

Students engage in public speaking, drama theatre self-defence, and health & nutrition sessions shaping them into confident and well-rounded individuals.

Future-Ready Campus

With EV charging, STP, solar panels, rain water harvesting, multi-storey parking and a tech-enabled campus, AHWS supports sustainable growth and development.

Redefining Play: The Rise of Pickleball

Beyond academics, they are dedicated to nurturing well-rounded individuals, where sports play a pivotal role in that mission. Among the diverse athletic offerings games (basketball, futsal, cricket, badminton), Pickleball has swiftly taken their campus by storm.

Staying Connected: A Unified Communication Platform

The proprietary 360-degree school mobile app ensures seamless communication among students, parents, and educators.

AHWS is unfolding a new era of schooling- where curiosity blossoms, potential soars, and the future unfolds!
