

The journey of an AHWSian begins as a seed that will eventually grow into a strong and beautiful tree when nurtured with love and care, and guided and protected by our well-equipped faculty and management. From sprout to tree, this enriching journey begins the day our little learner joins us and becomes part of our thriving family. Let us explore a day at AHWS for our learner...

Warm Welcome at the Gate

Each learner is welcomed with a warm smile, cheerful greeting, and a hug. This assures them that the same parental touch and warmth await them beyond the school doors and our hearts, as they receive at home.

Blessings and Values

Our learners begin their day by seeking blessings from Maa Saraswati, the Goddess of wisdom and knowledge, to instill the values of gratitude and reverence.

Settling in and Fruit Break

Health and nutrition hold an important role in the lives of the little learners. Once settled, learners relish the seasonal fruits to energize them for the day ahead.

Prayer and Circle Time

This allows them to align their bodies and souls with the divine power. The circle time provides an opportunity for sharing thoughts, giggles, and fond memories of the previous day.

Concept introduction and Academic Learning

The concepts are introduced using an Interactive Panel, teaching aids, and hands-on methods. Learning is not confined to the classroom. Various Multiple Intelligences (MI) tools, such as the interactive panel and X Wall, are used for the cognitive development of learners.

Meal time in Nourish Room

Healthy and nutritious meals are served to children to support their physical growth. Meal time also encourages children to develop healthy eating habits, table manners, and the joy of eating and sharing in a warm and caring environment of the Nourish Room, designed exclusively for the little learners.

Learning by Exploring

At AHWS Balvatika, the process of learning is not confined to the classroom. A planned calendar of rotational activities is carried out daily. These learning experiences help learners explore, express, create, and discover. Learners are exposed to numerous activities, including –

- choice corner experiences
- puppet shows
- storytelling
- rhymes
- robotics
- library visits
- dance
- Taekwondo
- vocal and instrumental music lessons
- activity areas
- elocution
- Montessori and activity rooms
- gym
- stage exposure
- splash pool
- yoga, and
- playground

Dispersal

The day at AHWS is not just an ordinary day; it is a blend of learning and fun. Children leave the school with a smile and the promise to return tomorrow with renewed joy. The school transport is equipped with a nanny to ensure a safe and smooth ride back home.
