

Safety & Security System

At Academic Heights World School, the safety, well-being and emotional security of every child remain our highest priority. We are committed to providing a secure, disciplined and nurturing environment where students can learn, grow and flourish with confidence.

Our comprehensive Safety & Security System is designed in accordance with the guidelines of Central Board of Secondary Education and other statutory authorities, ensuring a safe campus for all stakeholders.

Campus Security Measures

- 24x7 CCTV surveillance across the campus (128 CCTV Cameras)
- Trained security personnel deployed at all entry and exit points
- Visitor management system with mandatory entry records
- Controlled student dispersal and authorized pick-up procedures
- Fire safety equipment installed and regularly inspected
- Emergency exits and evacuation plans displayed throughout the campus

Student Safety Protocols

- Strict monitoring during arrival, dispersal, recess and transition periods
- Regular safety drills including fire and disaster management exercises
- Safe transportation system with trained staff and GPS-enabled buses
- Medical room with first-aid facilities and trained support staff
- Mandatory student ID cards and staff identification system
- Teachers are appointed in the morning, recess and afternoon to ensure smooth movement of students .

Child Protection & Well-Being

- Zero tolerance policy towards bullying, harassment and discrimination
- Sensitization programmes on personal safety, cyber safety and emotional well-being
- Counselling and guidance support for students
- Nannies are on duty outside washrooms in Primary Classes .

- In case & vans, mandatory verification of the antecedents of the driver is done. Nannies accompany the students (primary) in vans.

Regular awareness sessions for students, staff and parents

Hygiene & Health Safety

- Clean and sanitized classrooms, washrooms and common areas
- Regular health and hygiene inspections
- Availability of safe drinking water and hygienic food practices
- Health awareness workshops and preventive care initiatives

Staff Training & Preparedness

- Regular training of staff in safety procedures and emergency response
- Orientation programmes for teachers, transport staff and support staff
- Coordination with local authorities and emergency services when required
- Police verification of all staff members is done.

We strongly believe that a safe environment is the foundation of meaningful learning. Through collective vigilance, awareness and responsibility, we strive to ensure that every child feels protected, respected and valued within the school community.
