

WE TEACH LIFE...

110+ Schools | 10+ Years of Experience | 50K+ Students

WHY AHWS?

Nestled in the heart of Delhi, AHWS isn't just another CBSE school; it's a vibrant hub of innovation and educational excellence. What sets us apart is our unwavering commitment to redefining the way our learners engage with knowledge. We've blended learner-centric ingenuity with the wonders of STEAM education, giving students a holistic, inter-disciplinary journey through education.

We believe in learning by doing, sparking curiosity, and nurturing multiple intelligences through hands-on experiences.

Here are some of the enchanting elements that set us on a pedestal of educational distinction:

The Masterpiece of Infrastructure

At AHWS, the architecture itself is a canvas where education takes on an artistic form. The school boasts state-of-the-art infrastructure designed to support holistic education in every dimension. It's a place where each corner whispers stories of creativity and exploration, fostering a fertile ground for personal growth.

Curriculum Crafted for Tomorrow

Encompassing the essence of the National Education Policy 2020 and National Curriculum Framework, AHWS's curriculum is not a monotonous roadmap, but a captivating journey of discovery. It's a curriculum that beckons curiosity, igniting a never-ending spark in children to explore, learn, and ultimately excel.

Tech at Your Fingertips

In this digital age, we ensure our students have the technological tools they need to excel. Our comprehensive technological support provides them with the resources and skills required to conquer the challenges of the modern

Learning Unleashed

We believe in learning through experience, and our activity and project-based methodology ensures that students get their hands dirty, metaphorically and sometimes literally, as they delve into the world of knowledge.

WHAT MAKES AHWS STAND OUT ?

Holistic Education
