

OUR APPROACH TO EDUCATION

"The beautiful thing about learning is that no one can take it away from you." — B.B. King

SPROUT CURRICULUM · AHWS

CULTIVATING YOUNG MINDS FOR A BETTER TOMORROW

At AHWS, we believe every learner is unique — full of capabilities, curiosity, and creativity. Just as a seed needs nourishment and care to become a tree, every child blooms when given the right environment, guidance, and opportunities.

5+3+3+4 Structure

Stage-wise learning model

THE 5+3+3+4 LEARNING JOURNEY

Our curriculum follows the NEP-recommended structure, nurturing learners through four distinct developmental stages — each designed to meet children where they are and grow with them.

1

Foundation Stage

5 Years — Learning through play and joyful activities

2

Preparatory Stage

3 Years — Discovery and interactive learning

3

Middle Stage

3 Years — Learning by experience and analysis

4

Secondary Stage

4 Years — Multidisciplinary learning and critical thinking

❏ Our approach is grounded in **Howard Gardner's Theory of Multiple Intelligences**, ensuring every learner's unique strengths are recognized and nurtured.

WHAT SPROUT STANDS FOR

Every letter in SPROUT represents a core commitment to holistic, future-ready education.

Symbiotic Learning

SPROUT fosters a symbiotic/mutually beneficial relationship between your child, educators, and the curriculum itself

Panchakosha Shiksha

Panchakosha Shiksha nurtures your child holistically across the five layers of being (physical, vital, mental, intellectual and spiritual)

Relevant Exploration

By providing your child with experiential learning, SPROUT goes beyond the classroom and fosters curiosity and critical thinking

Open-Minded Enquiry

SPROUT encourages your child to question and think critically, cultivating a mindset that thrives on open-minded exploration

Unleashed Creativity

SPROUT unleashes your child's imagination and creativity through diverse artistic expressions and project-based activities

Transformative Experiences

By adopting an experiential approach to the teaching-learning process, SPROUT instils transformative life skills in your child

THE 7 LAYERS OF THE SPROUT CURRICULUM

The SPROUT Curriculum is built on a comprehensive 7-layer framework — each layer working together to create a rich, immersive, and technology-enabled learning experience for every child.

OUR TEACHING APPROACHES

Project & Inquiry-Based Learning

Encouraging exploration, discovery, and critical thinking through curiosity-driven projects.

Multiple Intelligences

Responding to different learning styles based on Howard Gardner's Theory.

Thematic Approach

8 unifying themes making learners sensitive, compassionate, confident, and globally responsible.

STEM, AI & Robotics

Innovation and problem-solving skills for the 21st century.

BUILDING 21ST CENTURY LEARNERS

The 4 C's Framework

Every learner is equipped with the essential competencies for tomorrow's world.

Creativity

Collaboration

Communication

Critical Thinking

Enrichment Pillars

- **Art Integrated Education** — Music, movement & creativity make learning meaningful
- **Language & Phonics** — Listening, speaking, reading & writing
- **Value-Based Education** — Empathy, kindness, gratitude & moral values
- **Parent Partnership** — Regular workshops and home-school connections
- **Co-Scholastic & Clubs** — Leadership, confidence & talent discovery
- **Kaushal Vikas & Kaushal Bodh** — Experiential, competency-based skills

WHERE LEARNING IS IN FULL BLOOM

To produce confident, compassionate, creative, and critical thinkers
— ready not just for academics, but for life.

We Nurture

Every child's unique potential
with care and intention

We Grow

Through experience, inquiry,
and real-world connection

We Bloom

Into confident, compassionate, future-ready global citizens

AHWS — WE TEACH LIFE
